**\$2500 Scholarships**  
**MEMORIZE MATT 5-7**

**"How sweet are your words to my taste, sweeter than honey to my mouth!" P<sub>salm</sub> 119:103**

**TASTE THE HONEY!** Experience God's Word in a totally new and refreshing way. We'll hike a lot and sweat even more, but as we learn, pray, and experience the Holy Land together, we'll begin to understand Scripture in its original context of time, culture, and place. We'll hike the ancient paths of Israel and Jordan, learning and studying as we journey, much like the Jewish disciples in Biblical times followed their rabbi. We'll explore many Biblical sites that are seldom visited. Our study of specific cultural, archaeological and geographic sites will give us new insights into our Biblical roots, strengthen the foundations of our faith, and help us understand more of what it really means to be disciples of our Rabbi, Jesus.

**Wyn Laidig** is the owner of an engineering and manufacturing company in Mishawaka. His background includes several years as a tenured professor at North Carolina State University, followed by over 15 years in Indonesia with Wycliffe Bible Translators. He has traveled extensively, including many trips to the Holy Land. It was on his

first trip to Israel, with Ray VanderLaan and *That The World May Know Ministries*, that God ignited His passion within Wyn for walking in the footsteps of our Rabbi, Jesus. Since that time, Wyn's primary ministry focuses on helping others know and experience the richness of God's Word through these unique study trips to the Holy Land.
